

Polly-Glot Tots

LANGUAGE CLASSES FOR KIDS

After School Spanish Club at BF Day

Tuesdays beginning January 14th through March 18th (Nine classes.) 2:55 pm –3:55 pm \$120

Students must be picked up at 2:55 or go to on-site BF Day Boys and Girls Club. There is no bus service after these classes.

What is a Polyglot?

Traditionally, a person who speaks three or more languages.

How many people can do that?

Actually, most people in most countries grow up multilingual.

At Polly-Glot Tots, we help kids become better learners and global citizens through foreign language education. Multilingual kids are better at basic and cognitive skills - which means they are smarter and can think for themselves. They are also on a more level playing field with their global peers.

What are the benefits of learning a language early?

- Higher test scores in math and English literacy
- Gives brains a boost because of more gray matter
- Better and more advanced reading skill
- Natural-sounding, native-like accent
- Greater opportunities for college and careers
- Bigger view of the world
- Greater grasp of one's first language - including a bigger, richer vocabulary
- Greater confidence
- Building and keeping cultural connections
- It's fun for the whole family!
